By public transport

From Tianfu Airport:

Take Chengdu Rail Transit Line No.18 to Century City station and walk out from Exit F, call a taxi and show the instruction on next page to the taxi driver. It is about 3km from Century City station to our hotel's position. The fare should be around CNY 15. Because Tianfu Airport is far from the urban area, this is a fast and cost effective way to our hotel.

From Shuangliu Airport:

Take Chengdu Rail Transit Line No.19 to Yixin Lake station, transfer to Line No. 5, and get to Jincheng Lake Station. Walk out from Exit B and walk for about 700 m to our hotel (see the instruction on page 4). Because we are not quite far from Shuangliu Aiport, it is easier to take a taxi directly from the airport and the fare is not expensive, should be around CNY 30.

From Chengdu East (AKA Chengdudong) Railway Station:

Take Chengdu Rail Transit Line No. 7 to Shenxianshu Station, transfer to Line No. 5, and get to Jincheng Lake Station. Walk out from Exit B and walk for about 700 m to our hotel (see the instruction on page 4). It is also recommended to take a taxi from the railway station if you carry large luggage.

By taxi

Please show the instruction in Chinese on page 2 to the taxi driver and he/she will take you to the roadside that very close to our hotel. In the instruction, we also ask the taxi driver to call us when you guys arrive, and our reception staff will come to meet you at the point where you get off from the taxi.

Please show this to the taxi driver
